Re: MUR 4544

Dear Ms. Sealander:

This is in response to the complaint filed by Rebecca R. Carey, MD, ("Complainant"), against the Republican National Committee, ("RNC"), and the Democratic National Committee, ("DNC"), for alleged "violations of campaign contribution laws."

The complaint fails to allege any violations of FECA with particularity. Specifically, the complaint contains no "clear and concise recitation of the facts which describe a violation of a statute or regulation over which the Commission has jurisdiction," and, thus, is not a "complaint" within the meaning of § 437(g) of FECA and 11 CFR 111.4 (d) (3). No action should be taken by the Commission with respect to this matter.

Although the notice from the Commission referenced videos to follow, no such videos were received.

Because no specific violations of FECA are alleged, the Commission should find no reason to believe that any violations have occurred with reference to MUR 4544, dismiss the complaint and close the file.

Sincerely,

Thomas J. Josefiak
